## **Church Office Computer**

**If you need to use the office computer, please be certain to click on "Sleep" when you end your session, not "Shut Down." It is very difficult to restart if you completely shut it down. This device is a resource for many church activities, as well as all printed worship materials, so it needs to be working! Thanks!**

## **Search & Call Update**

We have received the narrative results of the Congregational Café gathering held in March. Your Search & Call team will use this as input to the Congregational Profile development process. Ann Bates will lead the process of developing the Pastoral Invitation, which is used to publicize our pastoral opportunity. We look forward to establishing a salary range, based on 2022-2024 financial results.
