## SEARCH and CALL

Your Search & Call Team has submitted a draft version of the Congregational Profile to our Regional Minister. Next steps will be to finalize this Profile, update the information package for candidates, and begin to review candidates.

We will share the general results of our Congregational Café discussions, which were used to provide responses to questions on the Congregational Profile worksheet.

Watch for this information soon!

The Food Pantry is always in need of plastic grocery bags.  
Thanks to all who bring them!
